

W. P. Sandin Drama Club

Our club is currently working on producing two wonderful comedies for presentation near mid-May.

In the **Box Office**, the new manager discovers there is just as much drama in the lobby of a theatre as there is on stage. Chaos and confusion follows when she encounters a host of unusual customers.

The Expedient Family is a farce which follows the anxious moments of a blissful bachelor who finds out that lying on an employment application may have consequences. When his boss schedules an impromptu home visit, coming up with a wife and kid on the spot can prove difficult.

This double bill dessert theatre will be presented at the Shellbrook Theatre on the evening of **Thursday, May 17 beginning at 7:00.**

As with all our efforts at the school, we count on the support of students, parents and the community to make our production a success. Please tell all your friends and join us for an evening of hilarity and fellowship.

To our drama parents, please encourage your child to attend practices and make sure the final week before performance is cleared as much as is possible. If you can help out on the evening of the performance selling tickets at the gate, 50/50, or with desserts, please contact the school or let us know through your child.
